Re: Planned Power Disruption

Dear Parents,

DIO have today informed us that Brunei Shell are planning to carry out essential tasks on the H15 A substation in Seria on Tuesday 21st February. There will be a planned power disruption during the day.

Whilst the power may affect some parts of the school we will remain open and all children should attend as normal.

We will always continue to provide education as long as the health and safety of the children is not affected.

I attach to this letter as a reminder, the emergency procedures to follow should you believe that Hornbill School will be closed. This information can also be found on our website.

Yours sincerely,

Craig Gill
Deputy Headteacher

Hornbill School is a MOD School, part of the MOD's Directorate Children and Young People.
